

World leader in vehicle de-pollution technology

## SEDA Storage Tools

### Mobile Multi-rack Storage box Tool Tray

#### Mobile Multi-rack

The mobile multi rack is the perfect tool for the collection and transportation of wheels and other parts of the vehicle from the dismantling area for storage or further processing. The Multi-rack is stackable and suitable for double-sided storage for up to 24 pairs of tires.

#### Storage Box

An essential and durable storage box for any dismantling operation. Suitable for raw materials such as glass, plastic or other residual materials as well as complete vehicle parts to be stored and sold again. Stackable, durable and easy to use storage box.

#### Tool Tray

This tool tray simply mounts to the side of the storage box, ideal for keeping tools etc. where they are needed.

## + Your benefits

- ✓ Stackable
- ✓ Durable
- ✓ Easy to use
