

## SEDA MDS8 CONTAINER DRAINLIFT

A-51127

Easy-to-operate control panel

### BENEFITS

- Depollution in a mobile roll-on roll-off container
- Electro-hydraulic/pneumatic control system (Ex-certified)
- Vehicle dismantling possible
- Stable and well-designed

DEPOLLUTION

MOBILE SYSTEMS

### Mobile End-of-Life Vehicle Depollution System

The SEDA MDS8 Container DrainLift combines an electro-hydraulic or pneumatic single-column lift with SEDA's proven depollution system in a practical roll-on roll-off container.

This combination also allows for straightforward dismantling tasks to be performed directly inside the container.

The SEDA DrainLift is also available without a container or on a mobile platform.
